Become A Major Sponsor

Dear Community Leader,

As planning for the 30th annual Mardi Gras Ball takes place, we realize our mission is as important today as it was 34 years ago. Our goal is to continue to operate and maintain the Human Services Center that guarantees our non-profit agencies a rent-free office. This allows the agencies to concentrate their funds and resources directly on programs and support for their clients. None of this is possible without your dedication to the underserved in the Conejo Valley.

As the need for access to human services has grown in our community, so too have the programs providing these services within the walls of the Human Services Center. Through your generous donations and sponsorships, these are just some of the successes realized during this past year:

- 13 non-profit agencies diverted almost \$300,000 in saved rent to their programs.
- 39 homeless people were housed.
- 58 people were rescued from human trafficking.
- 125 disabled persons received life skills training for independence.
- 350 people were assisted with employment services.
- 2,000 vulnerable children, adults, and seniors received regular exercise programs from licensed trainers.
- 5,000 people received grief support and hospice services.
- 5,030 people learned to prevent bullying through kindness and inclusion workshops.
- 53,000 people received child and family services such as food security, financial assistance, parenting education, medical, dental, mental health, and legal services.

The 2023 Mardi Gras Ball is our largest fundraiser of the year and it is expected to be attended by more than 300 community leaders, guests, and media. Together we will celebrate your commitment to the health and wellness of this community with delicious food and spirits, live and silent auctions, wonderful music, dancing, and camaraderie.

A complete list of sponsorship levels and benefits is included for your consideration. On behalf of the 13 non-profit tenants and those they serve at the Human Services Center, thank you for your continued support.

Kind regards,

Robin Britt

A Cause Worth Celebrating

Community Conscience provides *rent-free* office space to 12 non-profit social service organizations in our 22,000 square-foot Human Services Center. In 2022, over 53,500 people received help from these organizations.

Our tenants include:

- Community Conscience
- Conejo Free Clinic & Dental Clinic
- Conejo Youth Employment Service
- Fit 4 The Cause
- Holy Family Services
- Hospice Of The Conejo
- Interface Children & Family Services
- Lutheran Social Services of Southern California
- Ohana Health
- PACER'S National Bullying Prevention Center
- Senior Concerns Bargain Boutique
- Villa Esperanza Services

We are also home to the County of Ventura Human Services Agency which has a fair market lease agreement that contributes to our funding and success.

People who are low income, homeless, disabled, abused, or mentally ill often do not have transportation. They are in need of food, clothing, shelter, medical attention, counseling, and programs designed to help them transform their lives. This means traveling all over a city or even multiple cities to receive all these services which proves very difficult or even impossible for most. There is a city bus stop directly in front of the Human Services Center. With one trip, all services can be utilized.

Bringing government and non-profit social service groups together prevents duplication of programs and helps fill any gaps in their services. This allows for cross referrals among agencies and the formation of partnerships among tenants. A building such as ours means a great deal to the efficiencies of its tenants.

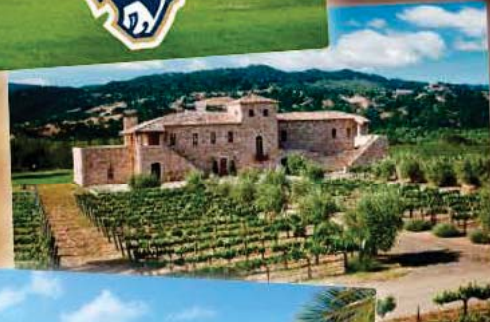

All of this is possible thanks to your charitable donations and dedication to the underserved in the Conejo Valley.

Live & Silent Auctions
